Return of Requisitions

25X1A9a

1. In accordance with telephone conversation with Mr. [REDACTED] I am returning herewith requisitions Nos. 49-325 and 49-326 covering 50 transmitter distributors and 50 teletypewriter sets, respectively.

2. In the absence of a definite agreement as to the statements required on other than routine requisitions from the Office of Special Operations, it will be necessary that a statement be submitted indicating that this equipment is required in connection with a project or projects which have been approved by the Director.

3. This matter has been cleared with the Executive for Administration and Management, and these requisitions are returned at your request due to the absence of such a statement.
